### DECISION<sup>1</sup>

On \_\_\_\_\_ the parties to the above-captioned case filed a Stipulation memorializing their agreement as to the appropriate amount of compensation in this case. Petitioner alleged that she suffered from diffuse generalized myalgias, paresthesias, and neuropathic pain as a result of her tetanus toxoid-containing vaccine (“tetanus vaccine”) administered on or about \_\_\_\_\_. Respondent denies that petitioner’s injury was caused-in-fact by her tetanus immunization. Nonetheless, the parties agreed informally to resolve this matter.

The court hereby **adopts** the parties’ said Stipulation, attached hereto, and awards compensation in the amount and on the terms set forth therein. Specifically, petitioner is awarded a lump sum of \$25,000.00 in the form of a check payable to petitioner. See Stipulation,
