of trivalent influenza (“flu”) vaccine. Respondent denies that flu vaccine caused GBS and/or CIDP or his death, and further denies that death on was the sequelae of a vaccine-related injury. Nonetheless, the parties agreed to resolve this matter informally.

The undersigned finds the terms of the stipulation to be reasonable. The court hereby adopts the parties’ said stipulation, attached hereto, and awards compensation in the amount and on the terms set forth therein. Pursuant to the stipulation, the court awards a lump sum of **\$175,000.00**, representing compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a) (2012). The award shall be in the form of a check for **\$175,000.00** made payable to petitioner, deceased.

In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment herewith.<sup>2</sup>
